

### **Success Program**

The Success Program is an after school program which assists students with homework and assignments. It operates from 3:15 to 4:00 p.m., Monday to Thursday. Students are supported by a teacher, committed student tutors and university student volunteers.

Students may get involved in the Success Program in three ways:

- Students may choose to attend;
- Parents may request that their child attend;
- Teachers may assign a student to the Success Program if the student falls behind.

### **Learning Development**

Learning Development is a support block designed for students who need extra support with regular classroom assignments, academic skill development and organization.

Enrolment is screened through the School Based Resource Team. To be accepted, students must demonstrate good attendance and make a genuine effort in their regular classes. A letter grade is not given.

### **Outreach Program**

Outreach is designed to support students in two ways. First, it provides support for students who require extra assistance with regular classroom assignments and focuses on supporting good attendance and positive behaviour. Second, for those students who have had challenges finding success in a regular classroom environment, core academic subjects are adapted and taught in small groups or on an individual basis. The goal of the program is for students to be integrated in the regular program as much as possible and continue working towards achieving a Dogwood Certificate. Enrolment is screened through the School Based Resource Team and admission requires administrative approval.

### **Peer Tutoring**

Burnaby North Secondary provides a credited course to train interested grade eleven and twelve students in becoming peer tutors.

Peer tutors work in classes throughout the school. Prospective peer tutors will undergo an application and screening process prior to being selected as a peer tutor.

### **Pre-Employment Program**

The aim of this program is to provide students with the broadest range of skills, experiences and knowledge to become as “work-ready” as possible. After finishing their grade 12 year, students receive a school-leaving certificate.

The program curriculum encompasses modified academic studies in English, Social Studies, Math and Science, a Functional Living Skills program, career and personal planning. Senior students complete out-of-school work experiences with local businesses and service providers. Students also operate in-school businesses and participate in some adapted academic courses and electives.

### **Access Program**

Access provides support for profound and moderately delayed students. The program provides a wide range of supports throughout a student’s high school years. Individualized programs are designed in consultation with teachers, parents/guardians, educational assistants and outside agencies. The program includes integrated classes, work experiences, functional academics, and community-based life skills’ opportunities.

### **Senior Alternate Program**

The Senior Alternate Program is a self-contained classroom which allows students the opportunity to find success in high school. Students work in small groups or on an individual basis on an adapted program with the goal of receiving a Dogwood Certificate. An emphasis is placed on workplace training and/or apprentice programs. Admission is based on administrative approval.

### **Staff**

#### **Teachers**

<b>M. Genge</b>	Department Head/Learning Centre/Success Learning Development Access
<b>K. Ault</b>	Learning Centre
<b>J. Chiao</b>	Pre-Employment
<b>C. Davis</b>	Pre-Employment
<b>M. Pederson</b>	Outreach
<b>J. Manderson</b>	Sr. Alternate
<b>B. Manhas</b>	Peer Tutoring
<b>M. McKee</b>	Sr. Alternate/Learning Development
<b>B. Mushens</b>	Outreach/ Learning Development/ Success
<b>K. Doerksen</b>	
<b>T. Yee</b>	

#### **Educational Assistants**

**A. Bertrand**  
**T. Chesman**  
**S. Cheung**  
**B. D'Angelo**  
**D. Ferguson**  
**K. Goodrich**  
**P. Jansen**  
**S. McCutcheon**  
**A. Plummer**  
**H. Rakic**
